(19012) and Anti Human Trafficking (19013)*

Commissioned by: **INTERACT ASIA**

Evaluated by: **DATA Consultancy**

12/1/21

ACKNOWLEDGEMENT

Development and Training Advancement- DATA Consultancy, established in 2018, has been engaged in providing quality services to the development organizations & institutions in the following areas of proposal development, research, evaluation, capacity building, documentation and translation. A group of highly dedicated development professionals having diverse experiences and expertise from variety of fields are associated with DATA Consultancy. During the last couple of years DATA Consultancy has engaged a number of consultancy works related with evaluation, proposal development, capacity building, mapping, assessment, module development and training facilitation under international, national and local organizations.

In line with that, DATA consultancy was awarded by INERACT ASIA to support them in conducting evaluation for Interact's Regional Program for Anti Human Trafficking (RPAHT) and Child Rights (RPCR) by **INERACT ASIA**. A three member's team of highly dedicated development professionals including Mr. Alison Subrata Baroi, Mr. A M Rasheduzzaman Khan and Ms Rita Roselin Costa having diverse experiences and expertise actively involved to conduct this study with active support of Interact Asia and **World Concern Bangladesh (WCB)** team.

Since the beginning to end, the team has paid full attention in reviewing relevant documents, designing data collection tools, collection of data from the field, analyzing data in critical look following TOR, triangulation of data with other secondary sources, drawing way forward recommendations considering present Covid19 context.

In all the way, necessary consultations and communication have been done with Interact and WCB team in order to ensure participatory approach of evaluation where community stakeholders, DATA Consultancy team and WCB team together performed their due role to make this evaluation done on the ground in efficient and effective manner with quality outcome.

DATA Consultancy expressed its sincere gratitude to **Ms. Sofia Jonsson**, Programme Coordinator for Interact Asia; **Mr. Karl-Johan Jonsson**, Project Coordinator for Interact Asia; **Mr. Martin Saikat Biswas**, Officer In Charge & Head of Operations, WCB; **Mr. Bishwanath Roy**, Program Coordinator, WCB and **Mr. Francis Tamal Halder**, Program Manager, WCB for their outstanding support and cooperation during the entire period of evaluation works.
