Disclaimer

Important: This report is for internal use by FNV Mondiaal and BLF only. Information about companies that have not been included in the review process (see 2.2.3) should not be shared with other parties. If FNV Mondiaal and BLF wish to publicise information contained in this report or share information from this report with other parties, they should first contact SOMO.

The Centre for Research on Multinational Corporations (SOMO) is an independent, not-for-profit research and network organisation working on social, ecological and economic issues related to sustainable development. Since 1973, the organisation has investigated multinational corporations and the consequences of their activities for people and the environment around the world.
